(Hook) I didn't trust a woman u showed me  
Baby girl u my one and only  
Only shawty that would come through and chill  
Wit me when I was sitting lonely  
Don't pay attention the other girls phony  
I remember every word that you told me  
Especially when u hit me up three am and say come  
and hold me.

(Verse) You never gave up ma you was eager  
And I always adored your demeanor  
Like a model your walk so meaner  
Trust you whatever you say I believe u.  
I do whatever to get you alone  
Anything you want I condone  
Don't matter if crumbs are blown  
Girls slow like dey in a zone  
And baby you not star struck  
Not a gold digger and that's hard luck  
That's why I got you a brand new Lamborghini  
Toast on red wine and chow on ziti  
Make love by the deck  
Lace your body with begets on your neck  
I'm so glad you showed me and told me  
Love is real and you're my 1 and only

(Hook)

(Verse) See

Usually I have doubts but I'm so sure  
Your beauty and your brains can't ignore  
Even without lotion skin so pure  
Like a Honda we on one accord  
Independent won't even take from me  
But thankfully  
Acting out playfully  
Handling business gracefully  
Ya body couldn't be in a better shape to be  
Antsy in da game u said I had to give it time  
Needed a whip u like I'll give you mine  
Not talking sneakers when I said me and you gonna  
make  
it to the finish line  
U my frame without u can't picture yo

Like j.t my love unconditional

Yes I switched the flow

As soon as I settle down baby girl ima let you know

(Bridge) Talk to me talk to me ma

Talk to me talk to me ma

Talk to me talk to me ma

Talk to me talk to me ma

(Hook)
