"Jump, Jump, Jump"

I was walkin' 'round, tryin' to put it down
In total darkness.
I didn't feel the need to get on my knees.
What's this you're talkin'?
No one could tell me nothin' that helped me out before
But when when the sunlight came and stopped the rain
I was standin' with the Lord, oh.
Can you feel the joy?
Don't it make you wanna jump, jump, jump?
Don't it make you wanna move, move, move?
Throw your hands to the roof, roof, roof?
Can you feel the joy?
Don't it make you wanna jump, jump, jump?
Don't it make you wanna move, move, move?
Throw your hands to the roof, roof, roof?
Kids are killin' kids, and no one wants to live,
Love's on the down low.
Now, what's up with that? Let's get back on track,
Straight to the rainbow.
You've gotta know that God is always by your side, oh.
If you're feelin' down, look around, just enjoy your life?
Can you feel the joy?
Don't it make you wanna jump, jump, jump?
Don't it make you wanna move, move, move?
Throw your hands to the roof, roof, roof?
Can you feel the joy?
Don't it make you wanna jump, jump, jump?
Don't it make you wanna move, move, move?
Throw your hands to the roof, roof, roof?
Can you feel the joy?
Don't it make you wanna move?
Don't it make you wanna jump, jump, jump?
You've gotta know that God is always by your side.
So when you're feelin' down, look around, just enjoy
your life!
Can you feel the joy?
Don't it make you wanna
Throw your hands up to the roof?
(Jump, Jump, Jump) Don't it make you wanna
(Jump, Jump, Jump) Don't it make you wanna
(Jump, Jump, Jump) Don't it make you wanna

Don't it make you wanna move?
Can you feel the joy?
Don't it make you wanna jump, jump, jump?
Don't it make you wanna move, move, move?
Throw your hands to the roof, roof, roof? (Don't it make
you wanna move?)
Can you feel the joy?
Don't it make you wanna jump, jump, jump?
Don't it make you wanna move, move, move?
Throw your hands up to the roof, roof, roof? (2x)
