You are... perfect (2x)

Changing hues, the change of season  
Will leave you no clues  
As desperation spreads within a broken soul  
Life leaves you feeling dead  
But just like Mathis singing  
On a low-down Sunday afternoon  
The blues split apart  
All me sense departs  
As I see you come into view  
Baby, as I look into your eyes  
Ooh, you're perfect  
Judging from the way you make me high  
Ooh, it's worth it  
Perfect, it's everything you are to me  
Perfect, and everything I am to you

Crossroads and bridges  
We come through a lot of trying stages  
Our love sets us free from the realms of  
Our own self-made cages

Rain fallin' down  
Seems like it could last for years  
Drowning me down  
Drowning in a sea of tears

And littled did I know  
That someone could set my soul free
