I'm alive - and the world shines for me today  
I'm alive - suddenly I am here today  
Seems like forever (and a day), thought I could never  
(feel this way)  
Is this really me? I'm alive, I'm alive

I'm alive - and the dawn breaks across the sky  
I'm alive - and the sun rises up so high  
Lost in another world (far away), never another word  
(till today)  
But what can I say? I'm alive, I'm alive, I'm alive

(Instrumental break)

Suddenly came the dawn (from the night), suddenly I  
was born (into light)  
How can it be real? I'm alive, I'm alive, I'm alive

I'm alive - and the world shines for me today  
I'm alive - suddenly I am here today  
Seems like forever (and a day), thought I could never  
(feel this way)  
Is this really me? I'm alive, I'm alive, I'm alive

(Instrumental break)

I'm alive, I'm alive, I'm alive, I'm alive
