Really thought that I could live without you  
Really thought that I could make it on my own  
Sent you away yeah I said I didn't need you  
I let you go I let you go I let you go  
Now I'm so lost without you  
Now you're not here and now I know

#### CHORUS

Lonely is the night when I'm not with you  
Lonely is the night ain't no light shining through  
Till you're in my arms till you're here by my side  
Lonely am I

Never thought that I that I would need you  
Never thought that I that I'd be missing you  
Gotta get you back  
I just got to find a way now  
To let you know to let you know to let you know  
That I'm so lost without you  
And now this world it just ain't right

#### CHORUS

I can make it through the day  
I can fake it okay  
I just smile and pretend  
And I tell myself I'll be alright

But lonely is the night  
Lonely is the night
