It's Monday 8 a.m., traffic jam
But you and I have got a better plan
Forget the daily grind, dollar signs
Stress and life or death, deadlines
Let's live like millionaires today
Laughin' all the way

To the bank of the river on the outskirts of town
With a fishin' pole in the water hole and throw a blanket
down
Get a bucket of Kentucky fried, put twenty in the tank
Blow the dust off of that bottle of wine we never drank
There's never been a better day to be
Laughin' all the way to the bank

We're gonna live it up, the two of us
Feet in the mud and our heads in the clouds
Stay like the wealthy crowd, fast and loud
Any rich man would be proud
To share this poor man's holiday
Laughin' all the way

To the bank of the river on the outskirts of town
With a fishin' pole in the water hole and throw a blanket
down
Get a bucket of Kentucky fried, put twenty in the tank
Blow the dust off of that bottle of wine we never drank
There's never been a better day to be
Laughin' all the way to the bank

To the bank of the river on the outskirts of town
With a fishin' pole in the water hole and throw a blanket
down
Get a bucket of Kentucky fried, put twenty in the tank
Blow the dust off of that bottle of wine we never drank
There's never been a better day, who says time off
doesn't pay
Hey we'll, laughin' all the way to the bank
