Was born on a chicken farm near Nashville, Tennessee
7 billion chicken and me
One day I say hey hey, let's drop a little LSD
And I set my chicken free

And I set them free, and I set them free
And I set them free, and I set them free

Chicken in the cauliflower, chicken in the corn
Chicken in the kitchen, chicken in the barn
Chicken driving Cadillacs to Washington, D. C.
When I set my chicken free

And I set them free, yipee, and I set them free
And I set them free, and I set them free

H?ener am Bode u H?ener i der Luft
H?ener fahre Motorrad u H?ener sy schl?cht druff
H?ener choufe vo der Stange, H?ener w?rde grupft
U we sie F?dere hei gla n?r sy si v?llig blutt

H?ener fl?ge bis zum Mars u ch?me nie meh hei
U sie pluschtere sich uuf w?g jedem gleiten Ei
Es Huen b?ttet zum Omelett will's nid zum McDonald's
wett
W?r weiss wo Gott deheimen isch: im Huen oder im Ei?

And I set them free, and I set them free
And I set them free, and I set them free

Eier w?rde gst?mplet, H?ener n?h's genau
Es bsoffnigs Huen isch Coq au vin, H?ener st?h im Stou
U H?ener h?enere dasume u g?h enang ufs Dach
U wenn e Chare d?refahrt n?r si die H?ener flach

H?ener m?esse scharre, der ganz Tag sy si dranne
Sie rysse sich der Arsch uuf u lande glych ir Pfanne
I ha myni H?ener usegla, will hie nid use cha
Itz hock i hie elei, aber d H?ener, die sy frei

And I set them free, and I set them free

And I set them free, and I set them free

I want chicken curry but there's no chicken in the shack

I want chicken curry but the chicken they are weg

I love chicken curry, I want the chicken back

I love chicken curry but there's only Schnaps and Sp?ck
