I see you, you're watching,
And waiting, for me.
I hear you, your voice is starting
To ring as you SCREAM!

Hey man!
Play some rock and roll music, for me,
Hey man!
I'm your biggest fan,
You know we're rockin' as we're
Driving down the road in your car.

The music, and laughter,
Crashes into one.
As you say, just play me,
A rock song and I'll sing with you!

Hey man!
Play some rock and roll music, for me,
Hey man!
I'm your biggest fan,
You know we're rockin' as we're
Driving down the road in your car.

The night's done, it's over,
And all the lights have been turned out.
You're still here, still waiting,
And I know you'll soon SCREAM!

Hey man!
Play some rock and roll music, for me,
Hey man!
I'm your biggest fan,
You know we're rockin' as we're
Driving down the road in your car.

And now the days go by,
You're looking back,
You start to cry as everything you see just fades away.
But then I see you smile,
You know that it has been awhile since I have heard you

say.

Hey man!
Play some rock and roll music, for me,
Hey man!
I'm your biggest fan,
You know we're rockin' as we're
Driving down the road in your car.
