

Stillday

"Gravity"

I feel the stone and rope,
And I'm awakened,
The weight to pull me down,
But I'm not shaken,
There's nothing here but hope,
And something I can't be,
I fight against the wind,
You are my GRAVITY!

Sooner or later it crashes down, in spite of me you're
still around.

I TRIED!
So hard, for you,
No chance, without you.

I'm running from myself,
And I can't catch you,
If I were someone else,
Would I want to?
I never used the word,
You spoke in riddles,
I never made the call,
Stuck in the middle.

Sooner or later it crashes down, in spite of me you're
still around.

I TRIED!
So hard, for you,
No chance, without you.
