"Head On Crash"

Everybody's moving forward,
Am I the only one looking back?
The world's just moving on without me,
Cause I'm walking down the street and
I'm trying not to step on any of the side walk cracks!

No one said I could not do it,
But in their heads they all just laughed,
They knew the odds were stacked against me,
But in the end, they were thinking it would all come
Down in a head on crash!

Moving forward, moving backwards doesn't matter
anyway,
Standing still I'd lose my mind,
So creative, on the floor I'm in my own reality.
I wish that I could just stop time, stop time!

I know you see me wonderin,
Wonderin why I've got no place to go,
I know you always feel me,
Feel me yesterday I was alone!

Why is everybody always on my back?
Yesterday I thought they were all just hitching rides.
It wouldn't matter now but I can feel the load.
And I just walk away, I walk away now baby!

Moving forward, moving backwards doesn't matter
anyway,
Standing still I'd lose my mind,
So creative, on the floor I'm in my own reality.
I wish that I could just stop time, stop time!

I know you see me wonderin,
Wonderin why I've got no place to go,
I know you always feel me,
Feel me yesterday I was alone!

Everyone I meet pretends to be my friend,
I see familiar faces all go walking by,

Every night i seem to lay in bed awake,
And think of you now, I think of you now baby!
