Rain falls in my window, and you're not there,  
I know that I could, but I don't care.  
You always say those things to me and then you leave,  
This water's coming down, but it's inside of me.

I turn away, I look away, I die!

It hurts inside!  
You play my mind!

You shut me down, I feel so weak,  
So take your bow, I'm your defeat.  
You let me wonder. Back away!  
It's clear to see, it's over now so let me be.

I turn away, I look away, I die!

It hurts inside!  
You play my mind!  
I wonder why it took so long for this to die.

And now I look the other way,  
It doesn't matter what you say,  
It's in my heart I find my peace,  
I look away, where's my release?
