If you're down and confused
And you don't remember
Who you're talking to

Concentration slip away
'Cause you're baby is so far away

Well, there's a rose
In the fisted glove
And eagle flies with the dove
And if you can't be
With the one you love, honey
Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Don't be angry
Don't be sad
Don't sit crying
Over good times you've had

There's a girl right next to you
And she's just waiting for something to do

And there's a rose
In the fisted glove
And eagle flies with the dove
And if you can't be
With the one you love, honey
Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Doo, doo, doo, doo
Doo, doo, doo, doo
Doo, doo, doo, doo

Love the one you're with
Love the one you're with

Love the one you're with
Love the one you're with

Turn your heartache right into joy
'Cause she's a girl and you're a boy
Get it together come on make it nice
You ain't gonna need anymore advice

And there's a rose
In the fisted glove
And eagle flies with the dove
And if you can't be
With the one you love, honey
Love the one you're with
Love the one you're with
Love the one you're with
Love the one you're with

Doo, doo, doo, doo
Doo, doo, doo, doo
Doo, doo, doo, doo
