I don't have anything for you,
In my little black bag.

I think you take me for a fool,
But I just can't have that.

I'm sorry, I forgot your name.
Everything was wonderful,
Till you showed up at my door.

Psycho girl, I think you're giving me cancer,
It's killing me,
Psycho girl, I think you're giving me cancer,
Yeah!

I know just when you're going to call,
That's why I don't answer.

You set yourself up for a fall,
I think you're giving me cancer.

I'm sorry, I forgot your name.
Everything was wonderful,
Till you showed up at my door.

Psycho girl, I think you're giving me cancer,
It's killing me,
Psycho girl, I think you're giving me cancer,
Yeah!
