You're together baby
You're together now
You're together baby
And I'm a mess

Is it forever baby?
Is it forever now?
Is it forever baby?
I'm all washed up

I lost my muse
I lived through you
Now I'm a ghost
I lost my voice
I played it cool
Now I am destroyed

Got nothing to steal
Got nothing to sell
I'm in the game now baby
And it is hell
I need someone to fight for
Someone to believe
That I can win
Everything I dreamed
I loved you from afar
I could not be close
My beautiful muse
Now I'm a ghost

I lost my muse
I lived through you
Now I'm a ghost
I lost my voice
I played it cool
Now I am destroyed

You're together baby
You're together now
You're together baby
And I'm a mess
