First to fall over when the atmosphere is less than  
perfect  
Your sensibilities are shaken by the slightest defect  
You live your life like a canary in a coalmine  
You get so dizzy even walkin' in a straight line

You say you want to spend the winter in Firenze  
You're so afraid to catch a dose of influenza  
You live your life like a canary in a coalmine  
You get so dizzy even walkin' in a straight line

Canary in a coalmine  
Canary in a coalmine  
Canary in a coalmine

Now if I tell you that you suffer from delusions  
You pay your analyst to reach the same conclusions  
You live your life like a canary in a coalmine  
You get so dizzy even walkin' in a straight line

Canary in a coalmine  
Canary in a coalmine  
Canary in a coalmine

First to fall over when the atmosphere is less than  
perfect  
Your sensibilities are shaken by the slightest defect  
You live your life like a canary in a coalmine  
You get so dizzy even walkin' in a straight line

Canary in a coalmine  
Canary in a coalmine  
Canary in a coalmine
