"Hungry for You"

Although you have had enough tonight
I want you until I am satisfied
Our bodies are all wet
Completely covered with sweat
We are drowning in its pool
I still desire you
You ravish my heart
I drink your blood
No matter what I do
I am still hungry for you

The world is mine
i won it in a game of cards
But I don't give a f***
I won it too easily
There you have it, I confess
I don't know what else I have to give
You ravish my heart
I drink your blood
No matter what I do
I am still hungry for you
