Music and words by bob dylan

They say ev'rything can be replaced  
Yet ev'ry distance is not near  
So I remember ev'ry face  
Of ev'ry man who put me here  
I see my light come shining  
From the west unto the east  
Any day now, any way now, I shall be released.

They say ev'ry man needs protection  
They say ev'ry man must fall  
Yet I swear I see my reflection  
Some place so high above this wall

I see my light come shining  
From the west unto the east.  
Any day now, any way now, I shall be released.

Standing next to me in this lonely crowd  
Is a man who swears he's not to blame  
All day long I hear him shout so loud  
Crying out that he was framed  
I see my light come shining  
From the west unto the east  
Any day now, any way now, I shall be released.
