I don't want to spend the rest of my life
Lookin' at the barrel of an armalite
I don't want to spend the rest of my days
Keepin' out of trouble like the soldiers say

I don't want to spend my time in hell
Lookin' at the walls of a prison cell
I don't ever want to play the part
Of a statistic on a Government chart

There has to be an invisible sun
It gives its heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's done

It's dark all day and it glows all night
Factory smoke and acetylene light
I face the day with me head caved in
Lookin' like somethin' that the cat brought in

There has to be an invisible sun
It gives its heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's done

And they're only goin' to change this place
By killin' everybody in the human race
They would kill me for a cigarette
But I don't even wanna die just yet

There has to be an invisible sun
It gives its heat to everyone
There has to be an invisible sun
That gives us hope when the whole day's done
