Anxious child  
Let your mummy sleeping into the night and until we  
rise  
Anxious child  
Let me sooth the shining tears that gather in your eyes

Anxious child  
I only will stay with you to quest this bridge of size  
Anxious child  
I can't help the look of accusation in your eyes  
In your eyes

The world is broken now  
All in sorrow  
Wise men hang their heads

Anxious child  
Let your mummy sleeping into the night and until we  
rise  
Anxious child  
Are the strength I'll need to find, I'll inside your eyes  
In your eyes

-> CD-Single You still touch me (European Edition)
