Hush child, let your mommy sleep into the night until
we rise,

Hush child, I can't help the look of accusation in your
eyes
Hush child, I won't leave, I'll stay with you to cross this
bridge of sighs,

Hush child, let me sooth those shining tears that gather
in your eyes,

In your eyes
The world is broken now, full of sorrow,

Wise men hang their heads,
Hush child, let your mommy sleep into the night until
we rise,

Hush child, all the strength I'll need to fight, I'll find
inside your eyes,

In your eyes
