Need some one's hands
To help me through the night
Need some one's arms
To hold and squeeze me tight
'Cause when the night begins
And I'm at an end
That's when I need your love so bad

Need your sweet voice
To whisper in my ear
Need your gentle fingertips, baby
To wipe away my tears
'Cause when the lights are low
And it's time to go
That's when I need your love so bad

Why don't you give it up
And bring it all back home to me, baby
Write it on a piece of paper
So it can be read to me
Tell me that you love me
'Cause you're almost drivin' me mad
Oh, because I need
I need your love so bad

Need your sweet voice
To help me through the night
You don't have to worry, baby
'Cause you know
Everything is gonna be alright
When the lights are low
And it's time to go
That's when I need your love so bad

I need

Why don't you give it up
And bring it all back home to me, baby
Write it on a piece of paper
So it can be read to me
Tell me that you love me
'Cause you're almost drivin' me mad

Oh, because I need
I need your love so bad

Need your sweet lips
To help me through the night
You don't have to worry, baby
'Cause you know
Everything is gonna be alright
Listen to my plea, baby
Bring it to me
Because I need your love so bad
(Need your love)

Because I need your love so bad
(Need your love)
Because I need your love so bad
(Need your love)
Because I need your love so bad
(Need your love)
Because I need your love so bad
(Need your love)
