[note the lyrics are as per the message in a box the complete transcriptions, but the words in red are what we believe is actually sung]

No time for complexities [the niceties] of conversation  
No time for smiles, no time for knowing  
No [less] time for intricacies of explanation  
No [less] time for sharing [caring] even less for showing

If I could, I'd slow the whole world down  
I'd bring it to it's knees  
I'd stop it spinning round  
But as it is, I'm climbing up an endless wall

No time at all  
No time this time  
No time at all  
No time this time

No time for a quick kiss [cigarette] at the railway station  
No time for a suitcase, sandwich and a morning paper  
Only time for time table calls and transportation  
No time to think no time to dare

If I could, I'd slow the whole world down  
I'd bring it to it's knees  
I'd stop it spinning round

But as it is, I'm climbing up an endless wall

No time at all  
No time this time  
No time at all  
No time this time

If I could, I'd slow the whole world down  
I'd bring it to it's knees  
I'd stop it spinning round  
But as it is, I'm climbing up an endless wall

No time at all  
No time this time  
No time at all  
No time this time  
No time at all  
No time this time  
No time at all  
No time this time  
No time at all  
No time at all
