Perfect Love Gone Wrong
From the album Brand New Day
Words and music by Sting

I've had a question that's been preying on my mind for
some time
I won't be wagging my tail for one good reason
It has to be a crime

This dog house never was the place for me,
Runner up and second best just ain't my pedigree
I was so happy, just the two of us
Until this alpha male
Turned up in the January sale

He won't love you
Like I love you
It won't be long now before that puppy goes astray
And what I like about this guy the most
He'd be my favourite lamp post
Devil take the hindmost

Je sais que c'est dur, mais il faut se faire au
changement, tu vois
J'ai n?glig? le primordial pendant trop longtemps crois
moi
Je suis consciente, je vois bien que tu souffres, mais ??
s attenuera
Car c'est d'un homme plus d'un chien don't j'ai besoin
pres de moi
Cesse donc de grogner, mon choix est fait c'est
comme ??
N'en fait pas trop, ton attitude risque de t'?loigner de
moi
Faut que tu comprennes, puisque tu dis m'aimer tant
que ??
Desormais nous sommes trois, lui toi et moi

It's a shaggy kind of story
Would I tell you if I thought it was a lie?
But when the cat's away the mouse will play,

I wouldn't dish around here
There's something fishy 'round here

I howl all night and I sleep all day
It takes more than biscuit, baby, to chase these blues
away
I've got a long enough leash
I could almost hang myself
It's a dog's life loving you baby
But you love someone else
Now he's moved by basket
I'd like to put him in a casket
I'll wear my best collar to his funeral

Ta mauvaise foi, j'aimerais bien que ?? s'arr?te
Me separer de toi, aujourd'hui ?? trotte dans ma t?te
Moi non, j'en peux plus, tu n'est q'un chien, c'est trop
b?te
La situation m'avait pourtant l'air d'?tre des plus nette
C'est clair, que je l'aime c'est un fait, ton ?go?sme
m'inqui?te
Apr?s toutes ces soir?es pass?es seuls en t?te ? t?te
Chaque chose a une fin, et c'est la fin de la f?te
Pour toi, car bient?t il n'y aura plus que lui et moi, lui et
moi.

To have found this perfect life
And a perfect love so strong
Well there can't be nothing worse
Than a perfect love gone wrong

You said I wasn't just your Christmas toy
I'd always be your boy
I'd be your faithful companion
And I would follow you through every thick and thin
Don't need nobody else
And we don't need him
