Chorus: (Sting)

Please take me dancing tonight
I've been all on my own
You promised one day we would
It's what you said on the phone
I'm just a prisoner of love
Always hid from the light
Take me dancin'
Please take me dancin' tonight

Verse 1: (Will)

Friday night, 10 o'clock, feelin' hot
Me and my senorita's been fightin' a lot
So I'm all alone, chillin' at home
Without no car, sittin' by the telephone
So I called her up (brrring) and apologized (I'm sorry)
I admitted I was insensitive some of the time
"Whaddya say you and me go hit the club
And dance like the first time we fell in love?"

Girrrl, it's like ten to eleven now
Maan, you're probably already layin down
I called to say what's up
and see if you were down to go and steal your
momma's car
So we can go dancin', dancin', yeah.

Chorus: (Sting)

Please take me dancing tonight
I've been all on my own
You promised one day we would
It's what you said on the phone
I'm just a prisoner of love
Always hid from the light
Take me dancin'
Please take me dancin' tonight

Verse 2: (Will)

It's 12 o'clock(12o'clock), on tha dot(on tha dot)
My girl came zoomin up to my spot
She lookin flyyy, (flyyy) like Salma Hayek (Hayek)

Desperado girl, I cannot deny it
We in her momma's car,
We drive into the club
We park in VIP
We do it for the love
Go into the floor
Dancin to the beat
I like the way she move, when she turn into freak

Girrrl, it's like ten to two now
Aaand the club's almost shuttin' down
I just wanna know what's up
And see if you were down for us to take your momma's
car
We can drive it up to Griffith Park
Park under the stars, we can be dancin', dancin', and

Chorus: (Sting)
Please take me dancing tonight
I've been all on my own
You promised one day we would
It's what you said on the phone
I'm just a prisoner of love
Always hid from the light
Take me dancin'
Please take me dancin' tonight

Verse 3: (Will)
Me and my girl, on a hill, by the car, under stars,
we gonna do, what we feel
And that's love, and dancin', just me and my girl,
ghetto style romancin'
Yeah you stole your momma's car,
yeah we did some deep stuff, but we'll handle it
tomorrow
Tell her that I forced it, tell her that it's my fault,
tell her I covered it
As long as we freak, as long as we dance,
as long as we (ah) you can say whateva
As long as we lovin', as long as we huggin',
as long as we doin' our thang that's all that I'm sayin

Get in closer now, get in closer now,
get in closer now (don't worry), get in closer now (don't
worry),
Cuz next week, we doin' the same thing

Chorus: (Sting) x2
Please take me dancing tonight
I've been all on my own
You promised one day we would

It's what you said on the phone
I'm just a prisoner of love
Always hid from the light
Take me dancin'
Please take me dancin' tonight
