Tomorrow is another day, tomorrow
Tomorrow is another day, tomorrow
Washington Square Park along Fifth Avenue
New York blue angel just waiting for the phone to ring

Tomorrow is another day, tomorrow
Tomorrow is another day, tomorrow
Poor little rich girl in a woman's body
Please put me in your movie, oh Mr. Warhol

Tell me you won't go away tomorrow
Tell me you are here to stay tomorrow
Standing on a table back in the backroom
It's showtime, it's showtime
Let's go, underground movie star

Lollypops and chocolates tomorrow
Jellybeans and candy drops tomorrow
Sparrow in a tree; her wings were clipped to fall
She jumped from her window and fell to the streets
below

When will you come stay with me tomorrow?
When will you come play with me tomorrow?
Go and tell Geraldine that love is all too clean
Please put your arms all around me and never let go,
let go

Tomorrow is another day, tomorrow
Tomorrow is another day, tomorrow
