Whenever I say your name,
whenever I call to mind your face
Whatever bread's in my mouth,
whatever the sweetest wine that I taste
Whenever your memory feeds my soul,
whatever got broken becomes whole
Whenever I'm filled with doubts that we will be together

Wherever I lay me down,
wherever I put my head to sleep
Whenever I hurt and cry,
whenever I got to lie awake and weep
Whenever I kneel to pray,
whenever I need to find a way
I'm calling out your name

Whenever those dark clouds hide the moon
Whenever this world has gotten so strange
I know that something's gonna change
Something's gonna change

Whenever I say your name,
Whenever I say your name,
I'm already praying, I'm already praying
I'm already filled with a joy that I can't explain
Wherever I lay me down,
wherever I rest my weary head to sleep
Whenever I hurt and cry,
whenever I got to lie awake and weep
Whenever I'm on the floor
Whatever it was that I believed before
Whenever I say your name, whenever I say it loud, I'm
already praying

Whenever this world has got me down,
whenever I shed a tear
Whenever the TV makes me mad,
whenever I'm paralyzed with fear
Whenever those dark clouds fill the sky,
whenever I lose the reason why
Whenever I'm filled with doubts that we will be together

Whenever the sun refuse to shine, whenever the skies
are pouring rain
Whatever I lost I thought was mine whenever I close my
eyes in pain
Whenever I kneel to pray, whenever I need to find a
way
I'm calling out your name

Whenever this dark begins to fall
Whenever I'm vulnerable and small
Whenever I feel like I could die
Whenever I'm holding back the tears that I cry

Whenever I say your name,
whenever I call to mind your face,
I'm already praying
Whatever bread's in my mouth,
whatever the sweetest wine that I taste
Wherever I lay me down,
wherever I rest my weary head to sleep
Whenever I hurt and cry,
whenever I'm forced to lie awake and have to weep
Whenever I'm on the floor
Whatever it was that I believed before
Whenever I say your name, whenever I say it loud, I'm
already praying

Whenever I say your name,
No matter how long it takes,
One day we'll be together

Whenever I say your name,
let there be no mistake
that day will last forever
