Whispering Voices
Can get inside your head
To make you feel bad
And make you feel sad and lonely
Doctors in trouble
A'waiting 'round the corner
To make you down
And make you frown and give up

Jumping chairs is no way to live,
No way to get you through the night
Leave your responsibilities
If things feel bad,
Turn on the night!
And make those whispering voices leave you alone

Whispering voices
Will get you if you don't watch
They'll make you ill,
Against your will you fall
Dispair disaster
Will get you if you don't watch
They'll get your nick,
They'll make you sick if you want them

Jumping chairs is no way to live,
No way to get you through the night
Leave your responsibilities
If things feel bad,
Turn on the night!
And make those whispering voices leave you alone

(Whispering voices)
(Whispering voices)
Well,yeah,yeah
(Whispering voices)
oooo....
(Whispering voices)
Come on
Come on now, tell me
(Whispering voices)

Hear the song
All night long
(Whispering voices)
Come on, come on, come on
(Whispering voices)
Aaaaaaaaaaaaa.....ha!
(Whispering voices)
