From the album Strontium 90 (Pangaea/Ark21)
Words and music by Sting

Everyone I know is lonely
My GodæŠ so far away
And my heart belongs to no one
So now sometimes I pray
Please take this space between us
And fill it up some way
IæŠ³e been waiting for my brothers
Since fucking Christmas day

ThereæŠ a song that everyoneæŠ heard
Let me hear it, make me a part
Songs everyoneæŠ heard
Let me hear it, make me a part

Nothing seems to matter
To no one anymore
They say my world is shattered
I just did it on the floor
It wonæŠ° go no further
It is here I make my stand
If you say my life is precious
When you held it in your hand

ThereæŠ a song that everyoneæŠ heard
Let me hear it, make me a part
Songs everyoneæŠ heard
Let me hear it, make me a part

ThereæŠ a song that everyoneæŠ heard
Let me hear it, make me a part
Songs everyoneæŠ heard
Let me hear it, make me a part
