Words and music by Bryan Adams/Rod Stewart/Sting

When it's love you give (I'll be a man of good faith)
Then in love you live (I'll make a stand, I won't break)
I'll be the rock you can build on
Be there when you're old, to have and to hold

When there's love inside (I swear I'll always be strong)
Then there's a reason why (I'll prove to you we belong)
I'll be the wall that protects you
From the wind and the rain
From the hurt and pain.

Let's make it all for one and all for love
Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

When it's love you make (I'll be the fire in your night)
Then it's love you take (I will defend, I will fight)
I'll be there when you need me.
When honour's at stake, this vow I will make

That it's all for one and all for love
Let the one be the one you want
The one you need
'Cause when it's all for one it's one for all
When there's someone that should know
Then just let your feelings show
And make it all for one and all for love

Don't lay our love to rest
'Cause we could stand up to your test
We got everything and more than we had planned
More than the rivers that run the land
We've got it all in our hands

Now it's all for one and all for love (It's all for love)

Let the one you hold be the one you want
The one you need
'Cause when it's all for one it's one for all (It's one for all)
When there's someone that should know
Then just let your feelings show
When there's someone that you want
When there's someone that you need
Let's make it all, all for one and all for love
