How many of you people out there  
Been hurt in some kind of love affair  
And how many times do you swear that you'll never  
love again?

How many lonely, sleepless nights  
How many lies, how many fights  
And why would you want to put yourself through all that  
again?

"Love is pain," I hear you say  
Love has a cruel and bitter way  
Of paying you back for all the faith you ever had in your  
brain

How could it be that what you need the most  
Can leave you feeling just like a ghost?  
You never want to feel so sad and lost again

One day you could be looking  
Through an old book in rainy weather  
You see a picture of her smiling at you  
When you were still together  
You could be walking down the street  
And who should you chance to meet  
But that same old smile that you've been thinking of all  
day

You can turn the clock to zero, honey  
I'll sell the stock, we'll spend all the money  
We're starting up a brand new day

Turn the clock all the way back  
I wonder if she'll take me back  
I'm thinking in a brand new way

Turn the clock to zero, sister  
You'll never know how much I missed her  
Starting up a brand new day

Turn the clock to zero, boss

The river's wide, we'll swim across  
Started up a brand new day

It could happen to you - just like it happened to me  
There's simply no immunity - there's no guarantee  
I say love's such a force - if you find yourself in it  
And sometimes no reflection is there

Baby wait a minute, wait a minute  
Wait a minute, wait a minute  
Wait a minute, wait a minute

Turn the clock to zero, honey  
I'll sell the stock, we'll spend all the money  
We're starting up a brand new day

Turn the clock to zero, Mac  
I'm begging her to take me back  
I'm thinking in a brand new way

Turn the clock to zero, boss  
The river's wide, we'll swim across  
Started up a brand new day

Turn the clock to zero buddy  
Don't wanna be no fuddy duddy  
Started up a brand new day

I'm the rhythm in your tune  
I'm the sun and you're the moon  
I'm a bat and you're the cave  
You're the beach and I'm the wave  
I'm the plow and you're the land  
You're the glove and I'm the hand  
I'm the train and you're the station  
I'm a flagpole to your nation - yeah

Stand up all you lovers in the world  
Stand up and be counted every boy and every girl  
Stand up all you lovers in the world  
Starting up a brand new day

I'm the present to your future  
You're the wound and I'm the suture  
You're the magnet to my pole  
I'm the devil in your soul  
You're the pupil I'm the teacher  
You're the church and I'm the preacher  
You're the flower I'm the rain  
You're the tunnel I'm the train

Stand up all you lovers in the world  
Stand up and be counted every boy and every girl  
Stand up all you lovers in the world  
Starting up a brand new day

You're the crop to my rotation  
You're the sum of my equation  
I'm the answer to your question  
If you follow my suggestion  
We can turn this ship around  
We'll go up instead of down  
You're the pan and I'm the handle  
You're the flame and I'm the candle

Stand up all you lovers in the world  
Stand up and be counted every boy and every girl  
Stand up all you lovers in the world  
We're starting up a brand new day
