"Dead End Job"

Visit "[Dead End Job](#)" on MotoLyrics.com

Written by Sting, Stewart Copeland & Andy Summers

Song Lyrics:

I don't want no dead end job
I don't wanna be no number
I don't want no dead end job
I don't wanna be no number

The queue gets longer everyday
I just ain't no time to stay
I ain't gonna run away
All I want to do is play

Don't wanna be no teacher
I don't wanna be no slave
I don't wanna work no assembly line
Like my uncle Dave

The queue gets longer everyday
I just ain't got time to stay
I ain't gonna run away
All I wanna do is play

I don't want no dead end job
I don't want no dead end job
I don't want no dead end job
I don't want no dead end job

I don't want no dead end job
I don't wanna be no number
I don't want no dead end job
I don't wanna be no number

The queue gets longer everyday
All I wanna do is play
I just ain't got time to stay
But I ain't gonna run away

Don't wanna be no millionaire
Don't wanna own no mint

I don't wanna be no tax exile
And I don't mind being skint

The queue gets longer every day
I just ain't got time to stay
I ain't gonna run away
All I wanna do is play

I don't want no dead end job
I don't want no dead end job
I don't want no dead end job
I don't want no dead end job

I don't want no dead end job
I don't wanna be no number
I don't want no dead end job
I don't wanna be no number

The queue gets longer everyday
I just ain't no time to stay
I ain't gonna run away
All I want to do is play

Don't wanna be no millionaire
Don't wanna own no mint
I don't wanna be no tax exile
And I don't mind being skint

The queue gets longer every day
I just ain't got time to stay
All I wanna do is play
I ain't gonna run away

You can stuff your fucking dead end
(Mumbles)
Cunts
I don't want no dead end job
Awwww, you got me pist off with this dead end shit

I don't want no dead end job
I don't want no dead end job
I don't want no dead end job
I don't want no dead end job

Spoken Lyrics By Andy Summers:

Electrical supervisor required at the bar
(Cannot be Determined)
Everything requires a trainee flayer.

Store keeper required

Responsible and mythological person required to
control and operate small stores
New role in engineering rig
Sick

Mature assistant required at our do-it-yourself shop
A priest would be good if available
Assistant store keeper required at our florist
The job's in fashion

Carrier and sausage cook required in the Appieatzer
Tire fixers required sinington
British rail operator in need of lead railway manager
for railway safety
Shoe salesman required to sell some shoes

Cook management requiring cook

Just come outside!
