Finding the world in the smallness of a grain of sand  
And holding infinities in the palm of your hand  
And Heaven's realms in the seedlings of this tiny  
flower  
And eternities in the space of a single hour

Send your love into the future  
Send your love into the distant dawn

Inside your mind is a relay station  
A mission probe into the unknowing  
We send a seed to a distant future  
Then we can watch the galaxies growing

This ain't no time for doubting your power  
This ain't no time for hiding your care  
You're climbing down from an ivory tower  
You've got a stake in the world we ought to share

You see the stars are moving so slowly  
But still the earth is moving so fast  
Can't you see the moon is so lonely  
She's still trapped in the pain of the past

This is the time of the worlds colliding  
This is the time of kingdoms falling  
This is the time of the worlds dividing  
Time to heed your call

Send your love into the future  
Send your precious love into some distant time  
And fix that wounded planet with the love of your  
healing  
Send your love  
Send your love

There's no religion but sex and music  
There's no religion but sound and dancing  
There's no religion but line and color  
There's no religion but sacred trance

There's no religion but the endless ocean  
There's no religion but the moon and stars  
There's no religion but time and motion  
There's no religion, just tribal scars

Throw a pebble in and watch the ocean  
See the ripples vanish in the distance  
It's just the same with all the emotions  
It's just the same in every instance

There's no religion but the joys of rhythm  
There's no religion but the rites of Spring  
There's no religion in the path of hate  
No prayer but the one I sing

Send your love into the future  
Send your precious love into some distant time  
And fix that wounded planet with the love of your  
healing  
Send your love  
Send your love

There's no religion but sex and music  
There's no religion that's right or winning  
There's no religion in the path of hatred  
Ain't no prayer but the one I'm singing

Send your love  
Send your love
