Written by George and Ira Gershwin

There's a saying old says that love is blind,
Still were often told, "seek and you shall find"
So I'm going to seek a certain girl I've had in mind
Looking everywhere, haven't found her yet
She's the big affair I cannot forget
Only girl I ever think of with regret
I'd like to add her initial to my monogram
Tell me, where is the shepherdess for this lost lamb?

There's a somebody I'm longing to see
I hope that she turns out to be
Someone who'll watch over me

I'm a little lamb who's lost in the wood
I know I could always be good
To one who'll watch over me
Although I may not be the man some girls think of as
handsome
To her heart I carry the key
Won't you tell her please to put on some speed, follow
my lead
Oh, how I need someone who'll watch over me

There's a somebody I'm longing to see
I hope that she turns out to be
Someone to watch over me

I'm a little lamb who's lost in the wood
I know I could always be good
To one who'll watch over me

Although I may not be the man some girls think of as
handsome
To her heart I carry the key
Won't you tell her please to put on some speed, follow
my lead
Oh, how I need someone to watch over me
