Whenever I say your name, whenever I call to mind
your face
Whatever bread's in my mouth, whatever the sweetest
wine that I taste
Whenever your memory feeds my soul, whatever got
broken becomes whole
Whenever I'm filled with doubts that we will be together

Wherever I lay me down, wherever I put my head to
sleep
Whenever I hurt and cry, whenever I got to lie awake
and weep
Whenever I kneel to pray, whenever I need to find a
way
I'm calling out your name

Whenever those dark clouds hide the moon
Whenever this world has gotten so strange
I know that something's gonna change
Something's gonna change

Whenever I say your name, Whenever I say your name,
I'm already praying, I'm already praying
I'm already filled with a joy that I can't explain
Wherever I lay me down, wherever I rest my weary
head to sleep
Whenever I hurt and cry, whenever I got to lie awake
and weep
Whenever I'm on the floor
Whatever it was that I believed before
Whenever I say your name, whenever I say it loud, I'm
already praying

Whenever this world has got me down, whenever I
she'd a tear
Whenever the TV makes me mad, whenever I'm
paralyzed with fear
Whenever those dark clouds fill the sky, whenever I
lose the reason why
Whenever I'm filled with doubts that we will be together

Whenever the sun refuse to shine, whenever the skies
are pouring rain
Whatever I lost I thought was mine whenever I close my
eyes in pain
Whenever I kneel to pray, whenever I need to find a
way
I'm calling out your name

Whenever this dark begins to fall
Whenever I'm vulnerable and small
Whenever I feel like I could die
Whenever I'm holding back the tears that I cry

Whenever I say your name, whenever I call to mind
your face
I'm already praying
Whatever bread's in my mouth, whatever the sweetest
wine that I taste
Wherever I lay me down, wherever I rest my weary
head to sleep
Whenever I hurt and cry, whenever I'm forced to lie
awake and have to weep
Whenever I'm on the floor
Whatever it was that I believed before
Whenever I say your name, whenever I say it loud, I'm
already praying

Whenever I say your name,
No matter how long it takes,
One day we'll be together

Whenever I say your name,
Let there be no mistake
That day will last forever
