Faithful, righteous, holy one
In the name of Jesus Christ mi call Capleton
Because you bless him as a talented young man
An mi want him burn the fire 'pon Satan

Help him to study daily your holy book
And no take another look in a cookbook

Talented excellent entertainer

Help him to accept Jesus Christ as his saviour

Chorus

Father you just you give mercy to everyone
Grant some more to brother Desmond, Ninja Man
Let him return in your divine time

So save Spraga, Shaba, Cobra from the devil

Chorus

Touch Shaggy with your blood and set him free
When you bless him make him bawl out, "It is me!"
In need of prayer now my gone down on my knees
Give Sean Paul the light, make him get busy!
