Do you mind if I do  
Take my frustration out on you  
Do you mind if I do  
Take my frustration out on you  
I try my best to be nice to you  
But whwt do I get in return  
You refuse to acknowledge that  
I'm on the face of this earth  
'Cause I'm on the face of this earth  
Do you mind if I do  
Take my frustration out on you  
Do you mind if I do  
Take my frustration out on you  
You know I try my best to love you  
But what thanks do I get  
Handful of stupidity  
And a mouthful of regret  
My mouth's full of of regret  
Do you mind if I do  
Take my frustration out on you  
Do you mind if I do

Take my frustration out on you
