It's a shame, shame, shame, that I'm throwing my life away.

Hey here come that weasel boy

Man you know that boy he gonna die

(Gonna die gonna die uh huh he gonna die)

Hey here come that weasel boy

Oh yeah that boy he is gonna die soon

(Kill 'im dead, that's the way to kill 'im dead)

Yeah yeah what's the the song that we were singing in the darkness

Yeah yeah what's that shape that is emerging from the darkness

It's a shame, shame, shame, that I'm throwing my life away.

Hey here come that fat cash

Yeah you know that we got to try

(Try yeah yeah)

Hey give me your green backs now

No no no we ain't willing to die naw

(We're not gonna die)

Yeah yeah what's the the song that we were singing in the darkness

Yeah yeah what's that shape that is emerging from the darkness

Hermelin (Ja)

Mighty fine 'cause I've been tryin' I don't know what I

It's a shame, shame, shame, that I'm throwing my life
away.

(Ja)

Hermelin (Ja)

(Ja)

Ja (Ja) ja (Ja) ja (Ja) ja (Ja)

It's a shame, shame, shame, that I'm throwing my life
away in the darkness

And I blame, blame, blame you that there ain't no band
that plays in the

darkness
