Hey, I hope you have a wonderful life

Hey, I hope you have a very good time

Without me, without you, without everything

Hey, I hope you have it bloody fine too

Hey, I hope you have plans in mind do you?

Wonderful, wonderful, wonderful life baby

HATE ME!

I SAID I WANT YOU TO HATE ME!

HATE ME!

KILL ME UNTIL I DIE FROM IT BABY!

Teach my soul what it needs to learn

Teach my soul why it always burns

Teach my soul baby

Teach me, teach me and I'll teach you

HATE ME!

I SAID I WANT YOU TO HATE ME!

HATE ME!

WHAT DO YOU WANT TO DO TO ME?

one zero one one one zero zero one zero one one zero
zero zero...(whispered)

Hey are you having a wonderful life?

Life life oh oh

Opaque is destiny baby

Opaque is just the best

Opaque is heavy

YEAH! HUH! AYE AYE! GNAW, NAW, GNAW!

So Leo where you gonna go when you busted?

So Leo who you gonna know when you busted?

So Leo what you gonna throw when you busted?

So Leo when you gonna know that you busted?

AWW YEAH!

Du bist ein hund. Ja.

Du bist ein hund. Ja
