Merry Christmas everybody! and a happy New Year too.
May your holidays be merry, and every wish come true.
May you always be remembered by those so dear to
you

Merry Christmas everybody and happy New Year all
year through.

Merry Christmas everybody and happy New Year all
year through.

Well there's old Grand Pappy and he sure looks happy
with Granny just a slappin' her knees

There's old Aunt Mary with funny Uncle Harry and
they're trying to give the baby a squeez

There's long lost cousins, kiddies by the dozens, and
they're gonna stay the whole day long

Get together now friends and neighbours, Sing a
happy holiday song.

Merry Christmas everybody! and a happy New Year too.
May your holidays be merry, and every wish come true.
May you always be remembered by those so dear to
you

Merry Christmas everybody and happy New Year all
year through.

Merry Christmas everybody and happy New Year all
year through.

The turkey's on the table now and when your feelin'
able you can take another helpin' if ya will

But soon as ya eat it I'm afraid ya gotta beat it cause ya
gotta give the chair to brother Bill

And Hey Uncle Marty it's an all night party, and don't ya
pour the drinks too strong

Get together now friends and neighbours, Sing a
happy holiday song.

Merry Christmas everybody! and a happy New Year too.
May your holidays be merry, and every wish come true.
May you always be remembered by those so dear to
you

Merry Christmas everybody and happy New Year all

year through.

Merry Christmas everybody and happy New Year all
year through.
