I've been all across this country  
From the East coast to the west  
And I've been asked about a thousand times  
What places I like best  
Well I've had to base my answers  
On the friendly people I've found  
And if you're inclined to take the time  
This is where you'll find my stompin' grounds

Just take a little piece of P.E.I & old Saskatchewan  
Nova Scotia & New Brunswick, we're back in  
Newfoundland  
Alberta & Manitoba  
Ontario & B.C  
And you'll have found the stompin' grounds of all my  
friends & me  
And you'll have found the stompin' grounds of all my  
friends & me

Now there was a time with a buddy of mine  
When a freight train was our load  
And we found people in this here land that would help a  
guy along the road  
Some of them lived in the country  
And others lived in town  
But these are the people that made me proud  
To say this is my Stompin' Ground

Just take a little piece of P.E.I & old Saskatchewan  
Nova Scotia & New Brunswick, we're back in  
Newfoundland  
Alberta & Manitoba  
Ontario & B.C  
And you'll have found the stompin' grounds of all my  
friends & me  
And you'll have found the stompin' grounds of all my  
friends & me

And now you've heard my answer  
It's one I hope you'll understand  
It's just my way of kinda sayin' Thank You to the people

of this land  
And it doesn't matter really where you're from  
Ya can spread the word around  
For where ever you find a heart that's kind  
You're in a part of my stompin' ground

Just take a little piece of P.E.I & old Saskatchewan  
Nova Scotia & New Brunswick, we're back in  
Newfoundland  
Alberta & Manitoba  
Ontario & B.C  
And you'll have found the stompin' grounds of all my  
friends & me  
And you'll have found the stompin' grounds of all my  
friends & me

Just take a little piece of P.E.I & old Saskatchewan  
Nova Scotia & New Brunswick, we're back in  
Newfoundland  
Alberta & Manitoba (fades out)
