Here I walk in the Winnipeg rain
Tryin' to get a bus, tryin' to get train
Tryin' to get back to my field of grain
Away from Portage Street and Main
I blew my mind and my money in vain
And I blew my past on a fast Red River Jane

Red River Jane that's her name
69 ripoff lane
I must have been insane to play her game
But crazy fools have got to learn
Country boys gotta get burned
And I blew my mind and my money in vain
And I blew my past on a fast Red River Jane
