Let my heart sing an old river song
As we journey back where I belong
Where the wind comes to say to the river each day
Roll on, Roll on Saskatchewan
Roll on, Roll on Saskatchewan
From the wheat fields of my heart
Go find your way to the cool Hudson bay
And Roll on, Roll on Saskatchewan

Oh river go whisper my prayer
Tell Mother and Dad I still care
Leave this tear that I cried on the shore where they lied
And Roll on, Roll on Saskatchewan
Roll on, Roll on Saskatchewan
From the wheat fields of my heart
Go find your way to the cool Hudson bay
And Roll on, Roll on Saskatchewan
Roll on, Roll on Saskatchewan

From the wheat fields of my heart
Go find your way to the cool Hudson bay
And Roll on, Roll on Saskatchewan
Roll on, Roll on Saskatchewan
Roll on, Roll on Saskatchewan
Roll on, Roll on Saskatchewan
