If you should go to Ontario to the town of Ballinafad  
At the General Store they can tell ya more  
About the phone call they once had  
When they heard the man say tell the band  
From Nashville I did call  
And hold on tight I'll be there tonight  
To play the ball at the Ballinafad Hall

Now the word got around from town to town till a  
thousand tickets were sold  
To see the star with a great big car from Nashville they  
were told  
And the local band got a great big hand when the  
walked into the hall  
But the crowd looked high and low  
For the guy who made the telephone call

Then through the door with a rush and a roar  
Came Sam the furnace man  
With a fiddle case and big red face and he jumped  
upon the stand  
I'll have to state I'm a little bit late but I hope you got my  
call  
With an ol' straw hat he grinned like a cat when he  
bounced that fiddle like a ball

Now about that car with a Nashville star the band was  
never told  
But after the pause and the one for the cause  
The mystery did unfold  
From the General Store they knew the score  
When Sam walked in the Hall  
But he couldn't have been in Nashville when he made  
that telephone call

Now Sam took a bow as he laughed out loud  
An he said I'll have you know  
There's a little place called Nashville here in old  
Ontario  
And there my truck got stuck in the muck and I thought  
I'd better call

And tell the band I'll be on hand  
When they play the Ballinafad Ball

Said Sam my truck got stuck in the muck  
But tonight I'm tellin' you all  
I just come down from Nashville town  
To play the Ballinafad Ball

I just come down from Nashville town  
To play the Ballinafad Ball

Ya'll come back now ya' hear
