Hell hath no fury like, a woman scorned
I'll tell you my story man, I wish I'd never been born
I'm loose at the seams, I've broken my dream's
And my hand, it shakes the pen
Come on, come on now baby, let the good times roll
again, yea

Where did our sweet love go, who stole away our time?
Why do the stars above refuse to shine?
The harder I try to paint a picture of the way it was back
then
The more I miss the good times baby, let it roll again

Good times baby, this is the time
I need to know that your love is mine
Love me up, yea, reel me in
I'm hooked, line and sinker, she's my heroine

How many day's have I been lyin' on my back?
Starin' at the ceilin' girl, stretchin' on your rack
The harder I try to paint a picture of the way it was back
then
The more I miss the good times baby, let it roll again

Good times baby, this is the time
I need to know that your love is mine
Love me up, yea, you reel me in
I'm hooked, line and sinker, she's my heroine

Said I'm hooked now, I'm not fakin'
I'm here till the day I die
Can't get enough now, my heart is achin'
I'm in too deep to stop, all I want is those

Good times baby, show me a sign
I need to know that your love is mine
Love me up, yea, you reel me in
I'm hooked, line and sinker, she's my heroine
