Guernica is in fact made of stone backwards.

Watch me at war really up
You wanna hurt me stop the row
We both are stitched up now
We're hard with fear hard speak up
You wanna hurt me stop the row
We both are stitched up now
We're whores sit down
We're whores that's us

He wanted us he swore and all we've got
You wanna hurt me stop the row
We both are stitched up now
We're hard with fear hard speak up
You wanna hurt me stop the row
We both are stitched up now
We're whores sit down
We're whores that's us

Simple lives yeah we don't have
We pack up in truth it seems this
Peacemakers has arms that hold fear
See gargoyles can you see the wonder?

Yes I fear the carbine
What does never wrong mean?
That's right

Every one of us he swore so hurry up
You wanna hurt me stop the row
We both are stitched up now
We're hard with fear hard speak up
You wanna hurt me stop the row
Both of us are stitched up now
We're whores sit down
We're whores

That must mean sinful eyes that maim of fear
It's the look that stings I fear boy
Being distrusting I trust no one

They've been back down for nothing
It was never shared it's ours
We will know those names who follow
