I've seen your severed head at a banquet for the dead  
All dressed up on dinner, looked so fine  
Your shining silver salver so tastefully powdered  
With the finest military quick wine

Now try and picture this, as I gave you a kiss  
The apple in your mouth slipped in mine  
The orchestra played the sweetest serenade  
We laughed as we put away your wine

So raise your glasses here's a toast to wasted lives  
May all their ghosts come back to haunt you  
Tell you how they died

How do you sleep?  
How do you last the night and keep the dogs at bay?  
How do you feel when you close your eyes  
And try and drift away?  
Does it feel any better now?  
Does it mean any more?  
When the Angel of Death comes knock knockin'  
And bangin' at your door?

When all the fun was over I put you on my shoulder  
Took you home away from it all  
Shot down and claimed, mounted and framed  
Tastefully hung up on my wall  
Are my dreams your nightmares?  
I hope they all come true  
Get off your knees, the party's over  
I'm runnin' home with you

How do you sleep?  
How do you last the night and keep the dogs at bay?  
How do you feel when you close your eyes  
And try and drift away?  
Does it feel any better now?  
Does it mean any more?  
When the Angel of Death comes knock knockin'  
And bangin' at your door?

How do you sleep?

How do you last the night and keep the dogs at bay?  
How do you feel when you close your eyes  
And try and drift away?  
Does it feel any better now?  
Does it mean any more?  
When the Angel of Death comes knock knockin'  
And bangin' at your door

At your door
