Down down, you bring me down
I hear you knocking down my door
And I can't sleep at night
Your face, it has no place
No room for you inside my house
I need to be alone

Don't waste your words
I don't need anything from you
I don't care where you've been
Or what you plan to do

Turn turn, I wish you'd learn
There's a time and place for everything
I've got to get it through
Cut loose, 'cause you're no use
I couldn't stand another second
In your company

Don't waste your words
I don't need anything from you
I don't care where you've been
Or what you plan to do

Stone me, why can't you see?
You're a no-one nowhere washed up baby
Who'd look better dead
Your tongue is far too long
I don't like the way it sucks and slurps
Upon my every word

Don't waste your words
I don't need anything from you
I don't care where you've been
Or what you plan to do

I am the resurrection and I am the light
I couldn't ever bring myself to hate you as I'd like

I am the resurrection and I am the light
I couldn't ever bring myself to hate you as I'd like
