The hardest thing in the world

Holland [Incomprehensible] it don't please
I never wanted to leave
Searching for a perfect day
It never happens that way
Ahey, hey, hey

I'm sick and tired, it's so obscene
Will heaven help me be clean?
Searching for a perfect day
It never happens that way
Ahey, hey, hey

Cut away
I know ya'll, no one wants you around

You never heard a word I said
It's seems simple to me
That if you knew you wouldn't say
It never happens that way
Ahey, hey, hey

And the impression I get as the story unfurls
That you're the hardest thing in the world

Cut away
I know ya'll, no one wants you around

What you feel, it might not be
It seems softer to me
I cannot climb to touch your spire
I'm getting higher and higher

Cut away
I know ya'll, no one wants you around

The hardest thing in the world
