VERSE

Look at his hands
Touch His side
Look into His loving eyes
Reach out your hand
and don't be afraid
You're touching the Son
Who took your sins away

CHORUS

He gave His life
So you might live
and walk in peace
from all of your guilt
So go to Him now
and rest in His embrace
For he'll take all your sins
and wash them away
He'll wash your sins away

VERSE 2

He'll take your cares
Every burden you bear
He'll take the shame
and wash it all away
Reach out your hand
He'll guide you all the way
For You're touching the Son
Who took your sins away

CHORUS

He gave His life
So you might live
and walk in peace
from all of your guilt
So go to Him now
and rest in His embrace
For he'll take all your sins
and wash them away
He'll wash your sins away
He'll wash them all away

He'll wash your sins away

He gave His life
So you might live
and walk in peace
from all of your guilt
So go to Him now
and rest in His embrace
For he'll take all your sins
and wash them away

He'll wash your sins away
He'll wash them all away
He'll wash your sins away
Look at his hands
Touch His side
Look into His loving eyes
