

## Stone Sour "Blue Study"

Visit "[Blue Study](#)" on MotoLyrics.com

Somewhere between my tongue and cheek  
I can feel the hands on me  
Pulls me in so we are face to face  
I don't wanna see it...I don't wanna see  
Hold my head up, can't avert my eyes  
Spots and rats on me, I don't wanna see  
Claw the ground up, get me out of this  
Never wanted this - NEVER NEEDED THIS!

And you left me / and I left you  
And you left me / and I left you, too

Chair is stained and I can't stay awake  
Bring forth evidence to keep me sane  
I can't keep this riddle locked inside  
Seven ways to keep my secrets tied

Can't believe this, I belong in chains  
Separated, it was me and something else  
Now I'm numbing, get me out of this  
Never wanted this - NEVER NEEDED THIS!

And you left me / and I left you  
And you left me / oh, but then I left you and:  
And you left me / and I left you  
And you left me / and I left you, too

*[Solo: Jim]*

Arms stretched out, giving thanks to pain  
Spotlight looking down, I'm ashamed  
Kneeling with my forehead to the ground  
I can't help but flinch before I'm found

I DON'T NEED YOU! Can't you see behind?  
Doesn't matter now - DOESN'T MATTER ANYMORE!  
Maybe made me, get me out of this  
Never wanted this - NEVER NEEDED THIS!

And you left me / and I left you  
And you left me / and motherfucker, then I left you  
and...

And you left me / and I left you  
And you left me / and I left you, too

SAFE! I JUST WANT TO BE SAFE!  
SAFE! I JUST - WANT TO - BE SAFE!  
SAFE! DON'T YOU WANT TO BE SAFE?  
SAFE! WHY CAN'T YOU LET ME BE - SAFE?
